Letter Hide and Seek

Instructions: Print as many of the large letters as you need on cardstock paper ... cut out and laminate. Print the letter squares on cardstock paper ... cut out and laminate. Hide the large alphabet letters that you want the children to find around the room. Put the letter squares in a bag and have children draw out a letter. The letter they draw is the letter they need to find. Children can draw another letter out of the bag to find more letters. After all of the letters have been found you can have the children arrange the letters on the floor or tabel in alphabetical order.
